## Principles of the association:

The Association "Ekološka Udruga Zrmanja Vrelo" (hereinafter referred to as the "Association") was established with the aim of preserving and protecting the nature and environment of the municipality of Gračac and promoting the sustainable development of the region. To this end, the Association organizes or participates in actions for the protection of the environment, the maintenance and creation of public green spaces in the upper valley of the river Zrmanja and participates in local environmental policy. The regional public is involved in the work of the association through actions and information. The association promotes ecological tourism in the region in order to sustainably improve the micro-economy and the quality of life for all.

## Membership Fees:

The annual contribution is at least HKN 50.00 for natural persons and at least HKN 100.00 for legal persons. The contribution must be paid for 12 months in advance. Payment can be made in cash against receipt or by bank transfer to the following account:
